Working Together, Inspiring and Nurturing Everyone to Achieve and Grow

Meet the Team

Hi, I'm Vicki Norbury. I have been teaching at Moorlands since 2008 where I started my teaching career in our mainstream classrooms. During my time here I have had a variety of subject leader roles including Art, DT and Science coordinator; all of which I have enjoyed organising and developing for the staff and children alike. My current role in school is SEN based. I am one of the teachers in our SSC as well as SENCo for our Year 5 and 6 mainstream children. This is a role that I thoroughly enjoy and find to be incredibly rewarding. Outside of school I am a mum to two young boys who keep me very busy! I love going on adventures with my family; exploring new places, going on bike rides and finding exciting experiences to try together.

Well done to our past pupil Theo (brother or Ava in year 4) who competed in karate in an international youth league tournament in Venice earlier this month.

Theo won a bronze medal, competing against 128 other athletes which was an historic achievement for his club! Theo was also the only English competitor to win a medal and his achievements he has been selected to represent England at the Junior European Championships in Georgia in 2024!

Well done Theo, we're very proud of you.

Don't forget, once you are part of the MJS family, you are always a part of it and we love it when past pupils keep us up to date with their achievements.

Wow! What wonderful performances we have been treated to this week. Both the upper school and lower school performances were absolutely amazing! Well done to all of the children and to the staff for all the hard work, I'm sure you agree they were fantastic!

We would like to wish you all a very Merry Christmas and a happy new year from the MJS team.
