

Moorlands Junior School Newsletter

Working Together, Inspiring and Nurturing Everyone to Achieve and Grow

9th July 2021

It's been a very busy week again for trips and visitors.

The week got off to a very busy start with the year five trip to Sale Water park with added breakfast and pizza tea.

Wednesday then saw WN off to Tatton park where they managed to dodge most of the rain. Thursday brought more excitement when the Egyptian visitor came to year 4.

Whilst we are pleased that these events have been able to go ahead, due to another period of isolation for a year 6, we have made the very difficult decision to cancel the Y6 play and disco. Our aim is to maintain the integrity of the class bubbles as much as possible in order to minimise any further potential covid cases which would result in children and families isolating over the summer holidays. This decision hasn't been taken lightly but has been made with the best interests of our children, families and staff at heart.

We will still have a leaver's service which we will be a virtual event and we hope to have a picnic lunch one day in the last week-class teachers will decide when nearer the time when we have more accurate weather forecasts and year 6 will have class parties in their rooms on the last day.

We hope you understand and thank you for your support.

Finally, have a great weekend, enjoy the treats that friends of Moorlands have organised to celebrate the Euros (thank you to them for delivering to the children who are isolating-I know it was much appreciated) and don't forget that the children can come in at the later time of 10.30am on Monday if they're going to be cheering England on in the final on Sunday night!

Dates for your diary

Wednesday July 13th: **Orchestra performance (Y6 children only)**

Wednesday 21st July, 9.30am: Year 6 Leavers' Service (virtual event)

Thursday 22nd July, 9.30am: Whole school prize giving and monitor jobs (in bubble groups)

Friday 23rd July: School finishes for Summer

We are sure you, like us, listened intently to the announcements made by the government this week, particularly around the removal of bubbles and isolation requirements in schools. We have been advised to continue with our current arrangements until September when we will lift the restrictions and get back to 'normal'.

We still ask that you please remain vigilant for symptoms of COVID 19 and inform school immediately of any signs and/or testing and of course results.
