

Mr Clark

Year 3 is all about trying your very best, learning new routines, and learning to be a more independent thinker.

I am responsible for art and DT at Moorlands, and want to know what everyone is learning about in those subjects.

In 2020-2021, it will be my 3rd year teaching in Year 3 with Mr Phillips. I really enjoy being in Year 3.

I enjoy teaching **English** because you can communicate wonderful ideas and thoughts in interesting ways.

I think **maths** is a really important subject because it helps us to understand how the world works.

We use **Class Dojo** to show photos of what we do at school.

In Year 3 we will learn about: Britain, the Stone Age to the Iron Age, and Egypt.

Some of my interests include: photography, nature, baking and rock climbing.
