Working Together, Inspiring and Nurturing Everyone to Achieve and Grow

21st December 2021

Hot Choc From the Head

It is time once again to find out who have been the star workers of the term and will be rewarded with a hot chocolate from the head.

A huge well done to the children who have been chosen for their work ethic, commitment to our school values and fabulous attitudes to learning.

3C Luca
3K Elliott
4F Max T
4P Seb
WN Caleb
5C Zara
5D Declan
6G Mia
6T Olivia

As we come to the end of what has been a long and challenging term we would like to thank you for all of your support.

Although, things haven't been back to normal we are delighted that we have managed to give the children some memorable experiences-Winmarleigh Hall, the theatre trip, cinema trips, Anglo Saxon day, film nights, Christmas fair and Christmas parties to name a few.

Thank you for being understanding when we've had to make difficult decisions to cancel or postpone events.

Finally, have a lovely Christmas and a peaceful new year. We very much look forward to seeing you all in January.

Stay safe.

All at MJS

Royal Readers

Every term we reward children who have made significant efforts and progress with their reading.

This term our Royal Readers are:

3C Rosa
3K Charlie and Finley
4F Mahveen
4P Noah M
WN Jasper
5C Kehinde
5D Ania
6G Ishraga
6T Alyssa

COVID RESTRICTIONS UPDATE- from the DFE

From Tuesday 14 December, a new national approach to daily testing for contacts of COVID-19 is being introduced (including until the end of this term). All adults who are fully vaccinated and children aged 5 to 18 years and 6 months, identified as a contact of someone with COVID-19 – whether Omicron or not – should take a lateral flow device (LFD) test every day for 7 days instead of self-isolating. Daily testing by close contacts will help to slow the spread of COVID-19.

If they test positive, they should self-isolate and order a PCR test to confirm the result. If the PCR is positive, they must self-isolate for 10 days. If the PCR test is negative, they no longer need to self-isolate but should continue to carry out the remainder of the daily tests, and only need to isolate if it is positive.

Daily testing for contacts of COVID-19 will help protect education settings by reducing transmission and will also help keep pupils in face-to-face education.
