01	All Clinically Extremely Vulnerable (CEV) should currently attend their place of work if they cannot work from home. An individual risk assessment will be done by the school for staff who are classed as CEV.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	We have no staff in this category but if we did we would ensure that all staff have individual risk assessments and that these are reviewed and updated regularly. We expect this will allow most staff to return to the workplace, although we advise those in the most at risk categories to take particular care as community transmission rates fall.

<p>02</p>	<p>All employees must not attend school if they have one or more Covid-19 symptoms (a new, continuous cough or a high temperature, or has a loss of, or change in, their normal sense of taste or smell), or they have had a positive test (LFD or PCR) or if told by Test and Trace to self-isolate. They must stay away from school for 10 days from the day after the start of their symptoms or their positive test date.</p> <p>If a staff member becomes symptomatic they should arrange to have a test as soon as possible and follow the 'Stay at Home Guidance'</p> <p>If a staff member develops symptoms of Covid-19 whilst at work, they must be sent home immediately and begin a 10-day isolation period.</p> <p>If the staff member tests negative, the staff member can return to work as soon as they are well and no longer have symptoms of coronavirus</p> <p>Staff are not required to self-isolate if they live in the same household as someone with COVID-19, or are a close contact of someone with COVID-19, and any of the following apply:</p> <ul style="list-style-type: none"> they are fully vaccinated 	<p><input checked="" type="checkbox"/></p>	<p><input type="checkbox"/></p>	<p><input type="checkbox"/></p>	<p>If you have, or feel that you have, symptoms of coronavirus, you must apply for a test to check if you have the virus.</p> <p>NHS Test and Trace: how it works - GOV.UK (www.gov.uk)</p> <p>Information on getting a test is available at: Coronavirus (COVID-19): getting tested - GOV.UK (www.gov.uk)</p> <p>Also refer to the additional Trafford Public Health Guidelines.</p>

Outbreak Management

Outbreak Management Plan (OMP) outlines how the school would operate if additional measures are recommended for your setting or the local area. The Director of Public Health, Public Health England Health Protection Teams or the Local Authority could recommend certain measures are re-introduced. This may happen to help manage outbreaks in schools, or if there is an “extremely high prevalence” of Covid-19 in the community and other measures have failed to reduce transmission, or as part of a package of measures “responding to a variant of concern”.

N.B- THE FOLLOWING CONTROL MEASURES DO NOT NEED TO BE PUT INTO PLACE UNLESS RECOMMENDED BY THE DIRECTOR OF PUBLIC HEALTH, PHE HEALTH PROTECTION TEAMS OR THE LOCAL AUTHORITY.
