Thursday 22nd July, 9.30am: Whole school prize giving and monitor jobs

Friday 23rd July: School finishes for Summer

Dates are subject to change due to changes in the government roadmap.

Welcome back

We hope you have all had a restful and enjoyable half term. We are now in the final half term of the year which generally is the busiest.

We regret that due to the latest government announcement some of our plans will have to change.

We are very sad to say that the year 5 sleepover will not be able to go ahead. The year 6 disco will have to move until the last week and the leavers' service will now have to be a virtual event.

We hope you understand.

Please can you make sure that you continue to be vigilant for symptoms of COVID 19 and inform school immediately of any signs and/or testing and of course results.

Thank you.

Robinwood

Year 6 parents –please complete the online personal information form sent out earlier this week as soon as possible.

Swimming Certificates

Well done to all the swimmers who were presented with their certificates this morning. Some children have had to wait since last year for these and have been very patient.

Well done everyone!
