## Home Learning

Hello to all the home-learners!

Well done for all your hard work at home, we really appreciate how difficult it is.

Thank you to those of you who have sent in your work and photographs of how you're getting on, it's really good to see.

Thank you also for all your positive messages, it's encouraging to hear.

We hope you are finding the tweaks we have made to our remote learning provision this week are providing more support and guidance. We are constantly reviewing what we offer to ensure the best, under the circumstances, for our children and will continue to adapt as the weeks go on.

Please remember every family is different, if you are struggling or need any help or have any comments please contact your child's year group team via Class Dojo or email us at the admin email address.

## Year 3 Music Project

The year 3 trumpet project got off to a great start on Wednesday this week, thanks to Trafford Music Service. Well done also to the home trumpeters!

## Friends of Moorlands

Don't forget to sign up to our latest events:

The fantastic Mrs Broadbent is running weekly fitness classes over zoom to raise money for school, please see the links on the FoM Facebook page to join in.

Following on with the fitness theme, Mr Mellor is organising the Moorlands Motivator (a 2, 5 or 10k run or walk) between 23rd and 31st January. It's £10 for adults and £5 for children and there's a medal waiting for you at the end!

After all that exercise some of us might be in need of the next event on 6th February-a virtual gin tasting event led by our gin guru, Mr Kendal.

## Welcome to Mr Burns

We would like to welcome our new caretaker, Mr Burns, to the MJS team.

Mr Burns has already settled into life at Moorlands and has made a great start on some of the jobs around school.

We would also like to thank Mr Nash who kindly volunteered his time to help school with caretaker jobs during Mr Smethurst's absence.
