Fire Alarm

As I'm sure some of you are aware this morning, during drop off, the fire alarm went off.

The building was very quickly evacuated and children were accounted for. We would like to thank the children and parents for their calmness which helped the situation enormously. All children knew where to go and were extremely sensible.

As it wasn't a drill we had to wait for the fire brigade to arrive and for the building to be checked. We have since found out that the alarm was set off by a faulty smoke sensor in one of the classrooms and a new one has now been ordered.

Thank you for your help.

Year 6

Year 6 had another end of (no)SATs treat on Tuesday when the ice cream van arrived! As always our children were very polite and well-mannered which was commented on by ice cream man- well done year 6!

Class 3C

3C have been isolating this week but have still been working very hard with Mr Clark at home.

Well done 3C, we can't wait to welcome you all back on Monday!

Stars of the Week

3C Jake

3D Earnaby
