Values Day

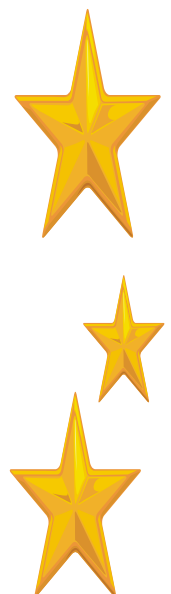

It was wonderful to see all the children with a splash of yellow to celebrate our first school values day of the year yesterday.

We celebrated 'Being inspired to learn achieve and grow' through a variety of activities during the school day.

Be sure to ask your child what they did and keep your eye out for photographs on Class Dojo.

Welcome back reminders

Please can we politely remind you that although PE kit is being worn all day on PE days it must still comply with our school uniform rules of a black sweatshirt and or white t-shirt and black joggers or shorts. These can have the school logo on or be plain.

Trainers should only be worn on PE days, with sensible school shoes worn on all other days.

Also, can we please ask that all uniform is labelled clearly with children's names.

Friends of Moorlands AGM

It is our Friends of Moorlands AGM on Tuesday 21st September at 6.30pm. Keep an eye out on Class Dojo for the Zoom link.

All welcome.

After school clubs

Please note that due to Covid restrictions we have been advised to delay the start of our after school clubs by a week and so they will start the week beginning 27th September.

The link to make bookings has been sent out this week. We will extend the time we keep the booking link open until 3.30pm on Tuesday 21st September.

To ensure equity for everyone, children will initially be asked to sign up for **ONE club** only.

If we have spaces we are more than happy to accommodate additional requests.

Children who have been invited to join the choir or orchestra will be able to apply for a place at an additional after school club but preference will be given to children who do not attend another club.

Miss Taylor is Running for the Bus!

Our fabulous Miss Taylor is running a half marathon on 26th September and is asking for sponsors to help raise funds for the conversion of the school bus into our school library.

If there are any other parents/supporters who are also running and would like to raise money for the bus, please let us know.

Covid 19 Guidelines

Since August 16th the need for bubbles or close contacts to self-isolate has been removed as long as they:

- Are under the age of 18 years and 6 months
- Are double vaccinated
- Are unable to get a vaccination due to advice from their medical consultant for medical reasons
- They have taken part in or are currently part of an approved COVID-19 vaccine trial

The recommendation is however that as a close contact a PCR test (not a Lateral Flow Test) is taken to rule out being asymptotically positive. With this in mind we may ask you to take your child for a test if we identify them as being a close contact.
