Head Teacher: Miss A. M. Kelly

4th September 2019

Welcome to our Y3 and other new children and families and welcome back to those of you rejoining us in Y4, 5 and 6.

Next week sees the start of our extra curricular activities, some of these are provided by our own school staff for a small charge of £2 per week, whilst others, as indicated are provided by external providers (indicated by EP on the chart) for a cost charged directly by them. We try to provide a spread of activities with something that might interest everybody so that your child can either engage in something they already enjoy or branch out into something new. In order that the children do get to be fully involved in their activity we have to limit the numbers in the clubs but we do run a waiting list and rotate through this where possible each term. Unless otherwise stated clubs run for a term.

All clubs run from 3.35pm until 4.30pm and your child will need to be collected at that time by an adult or X-club if they are booked in with them.

The following clubs are available this half term and if your child would like to attend any of these clubs please return this letter indicating on the grid, on the reverse, which clubs, in order of preference they would like to attend. Please complete the highlighted boxes only. Please note in order to ensure a fair and equal spread of activities for all children we will not be able to accommodate a club each night of the week for your child, we hope you understand.

We will try to accommodate as many first places as possible.

Please return your completed slip by Friday morning. We will endeavor to inform all children of their club allocations on Friday afternoon.

Yours sincerely,

Miss A M Kelly
