## Football

The boys' B team played in a tournament on Monday, they represented the school well, winning two games and drawing two. They then went through to the semi-final which they won 1-0. This put them through to the final which unfortunately they lost 4-3 in a nail biting penalty shoot out.

Well done to the girls' football who drew one and narrowly lost two matches, fighting with passion and pride.

Well done both teams we are very proud of your passion, determination and fair playing approach to all your games.

Thank you to the parents who supported the teams and the staff who organised the event.

## Easter Service

What a fantastic job year five did of leading the Easter service this morning! It was full of drama, song and dance and was extremely entertaining to watch.

Well done to year five children and staff!

The silver collection raised £32.14 for Francis House. Thank you.

## Website access

By now you should have received a letter via your child with the login details for your individual portal on our school website. If you haven't please let the office know.

The letter also includes details of an app which can be used to receive text messages and emails from school. Can we urge you to sign up to this to make receipt of messages from school easier.

If you'd like further information about installing this please have a look on the school website on the Website App Link.
