

Moorlands Junior School Newsletter

17th May 2019

Well done year 6

We don't need test results to tell us how wonderful our children are here at MJS but we are still very proud of the hard work and commitment the year 6 children showed during this week. Well done to them all.

Now that it's over we can concentrate on all of the nicer things year 6 has to offer.

It's Good to be Green

As you are aware we already collect crisp packets for recycling which earns funds for school and we have now been accepted to take part in the Big Battery Hunt which allows us to collect and recycle batteries.

Your child has come home today with a small box for collecting any old batteries that you have at home. Please start collecting your batteries and send the boxes back into school so that we can put them into the collection bucket in school. Each year group has their own bucket and we will have an in-school competition to see which year group can fill their bucket first.

Thank you for your support and in helping Moorlands to grow as an Eco and green school.

Year 6 Leavers

Just to remind you that the deadline for ordering the leavers hoodies is Friday 14th June.

We should already have confirmation that you give permission for your child's name to appear on the hoody and also for your child's photograph to be taken.

Book Fair

Thank you for visiting our book fair! It has been very popular so far. It is still open this evening and on Monday.

All orders need to be in school by Monday in order for them to be delivered on Tuesday.

The profits from the book fair provide school much needed funds for the school library.

Thank you.

Polite Notice-health and safety

Our school playground is a busy place during drop off and pick up times, often with lots of younger children on site. For this reason and for the safety of ALL of our children, please can we remind you that football is not allowed on the MUGA before and after school.

For the same reason, bikes and scooters are not allowed to be ridden on the school grounds. Children should dismount and walk them to the bike racks before entering the school building.

Also, the amount of children and adults using the school car park as a thoroughfare has once again increased. This is a serious health and safety risk. All of the children are reminded of the rules regularly but we need your help to make sure they are enforced when they are in your care. From Monday the barriers will be once again be in place to prevent access to the school office from the car park.

Thank you.

Dates for your diary

Week beginning 20th May– Humanities Week

Wednesday 22nd May-WN trip to Sale Moor

Thursday 23rd May-Yr4 trip to Sale Water Park

Friday 24th May– 2.30pm– open afternoon for parents

Book Swap

We would like to set up book swap boxes in each classroom whereby children can choose a book in exchange for donation one of their own. In order for this to be successful we need books. If you're having a sort out and have any spare that you no longer have a use for we would be delighted to take them off your hands.

Sale Festival

Please could any outstanding reply slips for Sale Festival be returned to school ASAP.

Thank you.
