Working Together, Inspiring and Nurturing Everyone to Achieve and Grow

5th March 2021

We're ALL Back!

We are very excited that we will see everyone on Monday again

Please make sure you have read the email with the return arrangements which was sent home on Wednesday.

Don't forget your mask and to continue to social distance whilst on school grounds.

World Book Day

Thank you to everyone who took part in World Book Day with so much enthusiasm despite all the restrictions.

We had some wonderful outfits and props used as clues and all enjoyed trying to guess the books/characters.

You will all receive your £1 book token on Monday as you return.

Thank you to Miss Taylor for organising the day.

Home Learners

Hello!

It's been another busy week for our home learners this week with three more virtual trips and world book day! On Monday WN visited Africa for a safari and were lucky enough to see lots of different and exciting animals. On Tuesday year 6 tested out their wizardry skills at the Wizarding World of Harry Potter and on Wednesday year 5 visited Jodrell Bank. All of the children both at home and school, thoroughly enjoyed the trips, particularly the chance to all meet up for lunch!

Thank you for all your hard work, support and kind messages during what has been a difficult time for everyone.

Friends of Moorlands

The balloon race is over and despite Queen of the Sky holding onto her lead for most of the race, she was denied the top spot by the young usurper The Mummy! Thank you to everyone who was involved in the race-it certainly brought a bit of excitement to our days and had the added bonus of raising £180!

We will let you know the final total raised by the gin night and the half term treasure hunt as soon as we can.

The next event is the Mother's day shop, please see the Friends of Moorlands Facebook page or ParentPay for more details.

Library Bus Update

The ball has started rolling this week-site visits have taken place, quotes are coming in and we hope that we will be able to move ahead with the delivery very soon. Then the really exciting work of planning the inside layout and décor can start!

We also plan to run a competition for the children to design the outside so keep your eyes peeled!

Stars of the Week

Y3 Mahveen & Trudie

Y4 Eliza S & Lottie

WN Sonny & Zack

Y5 Daniyal & Livia

Y6 Matthew & Haydn
