Assemblies

Well done to WN who led our assembly this morning.
They did a fabulous job!

Humanities Week

We've all had a great time during humanities week, learning all about the Stone Age, Egyptians, Greeks and Mayans.
It was great to see so many of you at our open afternoon which gave the children the chance to tell you all about their learning.

Brownie Fair

The Brownies will be running their own fair this half term on the 6th February (6.30pm-7.30pm) to raise money for our local unit. All are welcome to come along and have a go at games and look around at the stalls the girls have set up. There will be a teddy tombola, raffle, cakes/biscuits and lots of games for everyone to enjoy, so please come along and show your support.

Also we are looking for any donations for our raffle, do you have any unwanted Christmas presents or anything that could be used as a prize? Please let me know and I will be happy to arrange collection -

Open Mornings

We have been holding open mornings throughout the school year to give prospective parents a taster of our school.

We have two upcoming events:

Reception and nursery parents: Tuesday 30th January

Year 2 parents: Thursday 1st February

Be sure to spread the word!

Book Amnesty

We are in the process of updating our stock lists of the books we have in school. In order to do this we are asking children to bring in their colour banded reading books for over half term.

Also, if you have any other school books lying around at home, please can you bring them back to school.

Maths

We've had another exciting week working with our maths consultant who has been in school again. She has worked with staff and also led training on bar modelling.
