Willow Project

The willow project has started and we are very excited to see the finished product!

Thank you to those who have helped out. The project will be continuing on Monday and Tuesday next week so there's still time if you are interested.

Please be mindful that the willow now needs to 'take hold' so we are asking children to stay away from the area (especially with balls) for the time being and would appreciate your support with this before and after school.

Rain Gardens

Mr Clark's outdoor learning group planted close to 200 new bulbs across the whole rain water garden area on Monday.

Please be mindful of where you're walking. We're hoping to see colourful emerging as the season goes on.

Thank you to everyone who helped with the planting.

Climbing Competition

Very well done to our climbing team who represented the school on Wednesday at the Rock Over Climbing competition.

We are delighted to announce children have received medals for the event.

Climbing competition scores:

Oliver - 3rd place

Noah M - 2nd place

Maddie C - 2nd place

Congratulations!XXX

FOM

We are delighted to announce that the Mother's Day shop raised a wonderful £XXX last week.
Thank you so much for everyone who organised the event.
