

Mrs Kendal

Year 3 is all about trying your very best, learning new routines, and learning to be a more independent thinker.

I am responsible for R.E at Moorlands. It is my favourite subject to teach as I find it so interesting to learn about other people and their religions.

In 2021-2022, it will be my 1st year teaching in Year 3 with Mr Clark. I really looking forward to being in Year 3.

I enjoy teaching lots of different subjects, especially **history** and **English**.

I think **reading** is a really exciting as it can take us to such amazing places. I love learning new words.

We use **Class Dojo** to show photos of what we do at school.

In Year 3 we will learn about: Britain, the Stone Age to the Iron Age, and Egypt.

Some of my interests include: reading, watching rugby and camping. I love animals and have lots of pets.
