Working Together, Inspiring and Nurturing Everyone to Achieve and Grow

21st February 2020

Welcome back!

We hope you've all had a wonderful half term break.

We've certainly all come back with a spring in our step definitely fuelled by the lighter nights and mornings!

As always we have a very busy half term ahead with Take One Picture Day, World Book Day, NSPCC fundraising day, Eco day our second values day as well as our Easter Service! We will try to keep you as up to date as possible with everything through the date list on the newsletters.

As new dates are added they are easily identifiable as they are in bold.

Class Assemblies

This morning 6G led a very serious but informative assembly on mental health awareness.

Thank you and well done for your hard work in highlighting this subject. We hope you all enjoyed it.

NSPCC

Volunteers from NSPCC are coming into school to run workshops for all our year 5 & 6 children on the topic of 'speak out, stay safe'.

To help support this charity we will be holding a fundraising own clothes day in exchange for £1 on Tuesday 10th March.

World Book Day

For World Book Day this year we will be taking the theme of 'stories to share'. To mark the day children can come into school dressed in their pyjamas with their favourite bedtime stories.

For those parents who have already organised character outfits these can be worn too— just remember to send the book in to share as a part of the day will be spent with children sharing their stories/books with children from other classes.

Easter egg scenes due in school

Take One Picture Day

On Monday next week we will be celebrating Take One Picture day-a national event run by the National Gallery. This year the art work we will all be studying is The Battle of San Romano by Uccello. I'm sure you will start to see the work we produce around school soon.

For more information, visit: <https://www.nationalgallery.org.uk/paintings/paolo-uccello-the-battle-of-san-romano>

Easter Egg collection

Next week we will once again be collecting Easter eggs to donate to local food banks.

If you could buy an extra egg and send it in to school it would make a huge difference to local families who are struggling at the moment.

Thank you.
