Doughnuts

Thank you to the FOM doughnut team who have delivered a much needed end of term treat to us all today.

Great work!

Reading Millionaires

We are very pleased to announce that so far this half term we have made fantastic progress with the words we have read.

We already have one millionaire in the school– well done Poppy R in year 6!

We also have lots of children who have made a wonderful start to their word count and have gained a place on our reading display wall.

Film night

The first film night of the year was a resounding success-even being described as 'the best night of my life' by one member of year 3! Thank you to all the volunteers who made the event happen and for working behind the scenes to give our children some of the much missed experiences that were so loved.

Watch this space to find out how much was raised.

We are delighted to announce our school and Eco council reps and our Well-being ambassadors who have been chosen to represent their peers.
Well done!
